**Worshipful Master**

Greetings Brethren;

On May 19 we had our Gold Token Night and were privileged with the assistance of the RW Mark E. Carl, District Deputy Grand Master, the RW Henry Fratz, District Ritual Instructor and the MW Francis R. Mitchel Past Grand Master, to present the 50yr pins and certificates to WB Bernard Berkowitz and to Bro. Harry Buzard. We also presented the 55 yr pin to WB John Schimidinger. It was a very good evening indeed.

This month is light month Lodge wise, but we do have a few notable functions going on that I would like the brethren to take special note of and hopefully attend. First off, the friends of DB Jerry Williams are having a fundraiser to defray medical expenses at the Throwbacks grill on Sunday the 5<sup>th</sup> at 1pm, tickets are still available, call Dave Lynch 609-915-5486. There is also RW David A. Dorworth Beefsteak Dinner on Saturday June 25, contact RW Andy Churney 609-267-2639. We have also scheduled a Red Cross Blood Drive for Monday June 27, the Lodge needs volunteers to put up signs and get community participation; please contact WB Mike McGuire for information. An important date is Saturday June 11, we have scheduled another work (clean-up) day. Very important that the brethren come out to assist in the beautification of their Lodge. Starts at 9am and lunch will be served afterwards.

It is impossible to close my message without giving remembrance to this past Memorial Weekend. As a veteran I know how important it is to give tribute to the courageous men and women who have shed their blood for our liberties and freedoms. We should remember their sacrifices every day of our lives, but in particular, those special days we have set aside to honor them. God bless them and God bless our wonderful, special Country.

*Julio Hernandez, WM*

Excerpts from **PILLARS OF BEAUTY: FREEMASONRY AS AN AESTHETIC TRADITION** by **W. Bro. Adam G. Kendall PM** Henry Wilson Coil Library & Museum of Freemasonry  
Grand Lodge of F. & A.M. of California

In Freemasonry, one set of symbols that exemplify the aesthetic principles of determining and evoking the potential in art and livelihood is the Rough and Perfect Ashlars. They are a class of symbols surprisingly overlooked in some jurisdictions, which seems strange considering Freemasonry concerns itself with the very subject of building in stone! It is a class of symbols whose equation and sum have an important mention in all degrees of the Craft Lodge, primarily in the Entered Apprentice, the Fellow Craft; but also within the degrees of Mark Master Mason and the Royal Arch. The ashlar is actual objects to be shaped and fit by the stonemason, just as they are symbols of the aesthetic process of creation, which includes at every point the balance of technical skill of every successive degree or level of understanding. By shaping the ashlar from a state of roughness (that is, pure potential) to something beautiful and potential manifest—not just merely useful-- the *intent and action* of its creator's intellect and creativity may be determined.

The Rough Ashlar is a rough stone cut and raised from the quarries by the Apprentices under the supervision and experience of the Fellowcrafts and the watchful eye of the overseers, or Masters, and is thus explained by the Bro. Johann Christian Gadick in his *Lexicon of Freemasonry*:

*“We cannot regard the rough ashlar as an imperfect thing, for it was created by the Almighty Great Architect and he created nothing imperfect, but gave us wisdom and understanding, so as to enable us to convert the seemingly imperfect to our especial use and comfort. What great alterations are made in a rough ashlar by mallet and chisel! With it are formed, by the intelligent man, the most admirable pieces of architecture. And man, what is he when he first enters into the world? —Imperfect, and yet a perfect work of God, out of which so much can be made by education and cultivation.”*

The Grand Lodge of the Most Ancient and Honorable Society of  
Free and Accepted Masons for the State of New Jersey  
1114 Oxmead Road, Burlington, NJ 08016

Dear Brethren,

The Masonic Charity Foundation of New Jersey is again sponsoring a Tricky Tray (gift and basket raffle) on October 15, 2011, to benefit the residents living at the Masonic Home of New Jersey. This event will be held at the Fellowship Center located at 1114 Oxmead Road in Burlington Township, NJ. Last year's event was a great success. The committee raised over \$17,500, and the funds were used to purchase specialty orthopedic recliners and visitor chairs for our short-term rehab unit. The event was voted as one of the 2010 Top Ten Tricky Trays on the Tricky Tray.com website - in fact the event was voted first runner up!

Given the nature of a gift/basket raffle, we are requesting each lodge donate \$50 or more to the Special Events Task Force to help purchase merchandise that can be used for this event. Individual contributions of items or baskets are also welcome.

Proceeds raised at the auction will do much to help us meet the care needs of the 400+ seniors living at our Masonic Home. Donations will be recognized in the program book distributed to all participants. All donors will receive a thank you letter from the Masonic Charity Foundation acknowledging their tax deductible donation.

Please send your checks made payable to Masonic Charity Foundation - Special Events, by July 15, 2011, so the committee can purchase items for the event.

Send to:

The Masonic Charity Foundation of NJ  
Attn: Cindy Shemansky – Special Events  
902 Jacksonville Road, Burlington, NJ 08016

Individuals that are able to provide merchandise or a basket donation are asked to contact Cindy Shemansky at (609) 239-3924 or via e-mail at: [cshemansky@njmasonic.org](mailto:cshemansky@njmasonic.org) to arrange for pick up of merchandise by September 1, 2011, or items can be sent to the address listed above.

We thank you in advance for your generosity and support of our seniors.

M.W. Joseph H. Rival, Jr.  
Grand Master/Chairman

R.W. William L. Morris, Jr.

Notice the mention of the tools of the first degree—the mallet, (the common gavel), and the chisel. Indeed, this chisel should be considered a very important tool even in our Preston-Webb work, in relation to the 24-inch gauge—for both are the handmaidens of the gavel without which it would be a mere instrument of force. By a regulated blow from the mallet (or gavel), with the guidance of measurements set by the gauge, the chisel may make its cuts made by the skilled craftsman. Meditation and thought on these symbols are required by the speculative craftsman so as to derive the beautiful allegory of their use in order to give a place in one's personal mythology.

Consider the definition by Robert Macoy of the Perfect Ashlar which has become a perfect, squared stone that symbolizes our unconscious and conscious essence fitted for the builder's use in "that house made not with human hands":
